

## Vision for Art

### Intent statement

#### Intent

Our intention is to increase the cultural capital at Oak Lodge by providing rich and varied experiences in art, that expose our children to a wide range of artists, cultures and media. We aim to provide rich opportunities for observation, exploration, enquiry, self-expression and creative development.

#### Implementation

We have a specialist teacher and our children enjoy the use of a dedicated art room with rich curricular content, high quality resources and inspirational displays which provide context, support and motivation.

#### Impact

Through their experiences, our children are encouraged to have a growth mind-set. They are encouraged to think critically and creatively, to push their own boundaries, utilising their artistic skills for individual creative expression within the classroom and beyond.
