

Oak Lodge EYFS Weekly News

Autumn Term-Week Beginning 13.12.24

Dear Parents and Carers,

It's nearly Christmas!

Another busy but fun week in school! The children did fantastically in their nativity performance and we really hoped that you enjoyed it. Thank you for coming to support your children, they were so excited to perform in front of a full audience.

This week we have been making lots of Christmas crafts and decorations. We have had our Christmas jumper and Christmas dinner day and we were lucky enough to have a magic show on Thursday afternoon organised by the FSA.

Next week, we will be doing lots more Christmas activities and will be having our Christmas parties. We hope that you all have a wonderful winter break and enjoy time as a family. We look forward to welcoming you back in the New Year!

We hope you all have an lovely weekend!

Many thanks from the EYFS team

C&L: We have been talking about who we need to give thanks to at Christmas

PD: We have been rehearsing our nativity and practising our dances.

Fine motor: The children have been using pencil control sheets, wrapping presents, threading beads and placing hama beads on boards.

PSED: We have talked about how being kind to people is important and that Christmas is not all about receiving presents.

Literacy: In literacy, we have eaves and the shoemaker. We have spoken about what they are looking forward to about Christmas.

Phonics: We have been revising the phase 3 sounds- We have also continued to segment and blend 3 letter CVC words.

Maths: We have been learning about shapes- all 2D shapes.

EAD: We have been designing and making our own Christmas decorations. We have made cards, calendars and decorations.

UW: We have linked winter and Christmas time to changing seasons. We enjoyed our forest school where the children made elf houses.

This Week's Challenge

Please complete the CVC word writing sheet.

Over the holidays can you practise letter formation, number formation and maybe writing lists to Santa or messages to say thank you.
