

Oak Lodge EYFS Weekly News

Autumn Term-Week Beginning 29.9.25

Dear Parents and Carers,

We've had another exciting week! The children have loved reading 'Whatever Next', putting on their space boots and flying to the moon!

Thank you to everyone who has signed up for parents evening. We are looking forward to seeing you all. If you haven't signed up yet, please speak to your class teacher.

We hope you have enjoyed looking at the books we have sent home. Remember we are not expecting the children to be able to read these yet-don't panic! Ask and encourage your child to say the sounds and start to blend with your help. The homework we set is simply to reinforce the work we are doing at school so please don't worry if your child is not ready for this yet.

We will change books on a Monday and Thursday. Please keep the book and reading record in your child's bag everyday as we will also read this book with your child and write in their reading record.

Lastly, thank you to everybody who attended the workshop last week. We really appreciate your support. Thank you for the positive feedback we received. We hope you all found it useful.

Many thanks from the EYFS team

C&L: The children have loved retelling 'Whatever Next'. They have used different props to act out the story.

PD: We have been using chalk and wet brushes to draw on chalk boards. In PE, we have been dancing and moving in different ways.

PSED: This week we thought about different feelings and what to do when we're feeling sad, frustrated or angry. We enjoyed learning some breathing techniques and doing some cosmic kids yoga.

Literacy: We read 'Whatever Next' and labelled pictures from the story with the initial sounds.

Phonics: We have now covered and revised these sounds: ck, e, u and r. Please continue to practise the sounds we send home each week.

Maths: We have been comparing size, mass and capacity by comparing objects and feeling how heavy and light they are.

EAD: We have been practising our cutting skills by making some super shiny space boots and rockets!

UW: We have learnt about planets linked to our literacy text and to our house teams- Mercury, Venus, Jupiter and Saturn.

This Week's Challenge

*Practise writing your name.

This challenge is for those who feel ready and would like to complete it.
